Written for The Kansas City Journal.
All the aspens are awake,
Laceho!
Every fearful leaf a-quake,
Laceho!
While I greet the world below,
Laceho. Laceho!
Come away, forget the vale,
Laceho!
Langul limbs and faces pale,
Laceho!
Hark the challenge of the hill,
You away, forget the vale,
Laceho!
High, come high, and rapture know,
Laceho, Laceho!
While a preparations for an extended trip, a solourn by the sea, or months in the mountains, cannot bring herself to believe that there is any fun to be had in a warm weather stay in the city ahode, that has its charms in winter but palls upon her advanced tasted in summer. As she materializes at some hotel with far more luggage than the west comes the comes for while a warm weather stay in the city ahode, that has its charms in winter but palls upon her advanced tasted in summer. As she materializes at some hotel with far more luggage than the west comes the comes for the foct that it is located in town instead of in the country. She waits for the beaux that it is located in town instead of in the country. She waits for the beaux that it is located in town instead of in the country. She waits for the beaux that it is located in town instead of in the country. She waits for the beaux that it is located in town instead of in the country. She waits for the beaux that it is located in town instead of in the country. She waits for the beaux that it is located in town instead of in the country. She waits for the beaux that it is located in town instead of in the country. She waits for the beaux that it is located in town instead of in the country. She waits for the beaux that it is located in town instead of in the country. She waits for the beaux that it is located in town instead of in the country. She waits for the beaux that it is located in town instead of in the country. She waits for the beaux that it is located in town instead of in the fact that it is located in

mersian in come, and give in common proportion of the contract and it is located in town instead of the fact that it is located in town instead of in the country. She waits for the beaux that her magnination led her to suppose would lock to her side at the senside, but the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in sometimes in wait, for thought of the wait in some times in wait, for thought of the wait in some times in wait, for thought of the wait, for thought of the sixteen to one, while the town girl, under the wait, in the sixteen to one, while the town girl, under the wait of the wait, the week waits of the wait to keep pace with the spreading total amounts to a proportion of sixteen to one, while the town girl, under the week of last week. The waits of the week of last week waits to keep pace with the spreading total amounts to a proportion of last week waits of the week of last week waits of the spreading total amounts to a proportion of sixteen to one, while the town is all the week of the spreading total amounts to a proportion of sixteen to one, while the town is all the week waits of the week of last waits of the week of the waits of the week of the week of the present of the week of the week of last waits of the week of last waits of the week of last waits of the present on state of the present of the week of the week of the her heart's content—if not that of ner neighbors. And then there are maps and all sorts of laxiness in the way of novel read-ing to while away the hours if she does not care to go out, and though this resume may not seem very exciting, there is a genuine satisfaction in it that cannot be appreci-ated until it is tried.

But of course, being young and brimming over with animal spirits, outdoor life ap-peals to her, and she has at her command the pleasures of suburban life that are all the out-of-town sojourner can hope to en-joy.

for. The wheel, which has done more than sum exceps up the world begins to stir and at your ordinary breakfast time you find yourself at some warside farm house far from the noise and heat of the town. Our town girl once in the heart of the country, which is at her door, so to speak, begins to enjoy herself with all the true rest of a bird let out of its case. She climbs the rocks, she wades in the stream, she puddles about in the great hatbortomed boat that can be built for a some and would not upset even though it were strack by lightning and then she cuts how she cuts of whatever the farm house affords and when at last she starts for home awheel she wouldn't change places with a milliomaire's daughter in her smart trap bowling along Bellevue avenue at Newport.

If the days are pleasant for the town a roseste dream of joy the while her sister at the shore looks wistfally cityward, noping that some good fortune would seed a few masculines not boys or septuagenarians—to help while away the hours if the city girl has a porch if is there that the nightly gutherings lake place. She has, with characteristic womanly definess, placed about easy chairs, rugs and other equipments of comfort for her callers, though oftentimes these furnishings are altogether inadequate to the number present, and the steps, the railings, ave, yes, even the sidewalk itself, are utilized. Then it is that the bicycles glide up, then it is that the sound of banjo and gultar float out on the night air, minaded with gay laughter; then it is that the china bowl goes around to the near-by ice cream and out on the night air, minaded with gay lung people, who make a regular idented the frozen treat upon their return and division. Romance is not to be crowded because summer must be spent in town, lie not to be killed because there is no big wardrobe to be
